LAKE ARROWHEAD CHAPEL

Christmas Eve is an amazing time at Lake Arrowhead Chapel. This well-attended service in our community is a highlight of the Christmas season and we invite you to be part of it.

At each service (6pm and 8pm), you'll hear the Christmas story told through scripture. Join in singing your favorite carols and watch as the children complete the nativity scene. Pastor Jerry's special Christmas message will help you understand the meaning of Christmas for your life in a new way. Finally, you'll participate in our cherished candlelight tradition, the passing of the light at which communion will also be offered. In this awe-inspiring moment, we hope you'll experience the true joy and hope of Christmas!

At 7pm we will have a fellowship hour with coffee, punch, hot chocolate, and Christmas snacks. We hope to see you at one of the services, our door is open.

Questions 770-479-5506

Winter is great for sailing because it offers some of the steadiest winds of any season. As long as it's 50 degrees or above, we still recommend sailing as one of the best winter sports! We offer sailing lessons starting at \$99 for two hours of ASA certified instruction. If you'd prefer to just lay back and enjoy the view, you can also rent a sailboat with a captain starting at \$50 an hour or, if you're already certified, for only \$25 an hour!

Also, join us in sailing south for the winter! We are connected with Sunsail Yacht Charters and are going on a trip to the British Virgin Islands the beginning of January 2009! If you would like to accompany us, or set up a separate trip for yourself at any time, please feel free to give us a call at 770.887.7966 or email us at boatsforrent@gmail.com.

KYSC Commodore's Annual Club Social Sunday, December 14th, 2008 | 1:00PM

All are invited to meet and greet, share boating stories, and hear about upcoming club events. It will be held at Lake Arrowhead Country Club's "Dining Room". Recognition will be given for the "Club Champions of the Year"! Trophies will be given to the winning boat, captain, and crew member. Be sure to join us for this great social mixer and awards party for good fellowship and great food!

Coastal Navigation Classes American Sailing Association Certified Coastal Navigation Classes (ASA CON 105) is one of the ASA series of courses. There is no pre-requisite for this course. This course is taught in two sessions, over two days. To fit your schedule better, we have two classes scheduled. Also, you can come to the session A (Theory) in one class then session B (Application) in the other. This course is taught shoreside in our classroom. It allows the student to predict the forces of tides and currents on their boat prior to sailing away. This is a "must have" course for anyone planning on sailing or cruising where tides or currents exist. It is also the prerequisite course for our ASA Advanced Coastal Cruising. The first four to sign up get free ASA 105 certification, a \$99 value (class cost not included). For more information please contact boatsforrent@gmail.com or call us at 770.887.7966 or 1.800.227.AHOY (2469).

Session 1 Saturday, January 19 & January 26 10am to 5pm

Session 2 Saturday, February 16 & February 23 10am to 5pm

CAMDEN SHACKLETT CARE FUND

Cam Shacklett was injured in an accident on June 29th at Ocean Isle Beach. He sustained a broken neck at a C6 level. He is paralyzed from the chest down and also had paralysis of his fingers. Cam has graduated to the Shepherd Day Program to undergo intense therapy. He has made incredible progress and is looking forward to going home on November 21st.

But before he can return home, modifications will need to be made to accommodate his wheelchair and his new way of life. Many have asked for ways to assist in Cam's recovery. The renovations to his home will cost \$25,000 to \$30,000, not including needs such as his wheelchair and van. We will be grateful for any help you can provide!
