MEMBER-GUEST 2010 The inaugural 2010 Member-Guest Golf Tournament at the new Highlands Course at Lake Arrowhead was played on June 25th & 26th. The two-person teams were divided into three flights: Palmer Flight, Nicklaus Flight & Jones Flight. The format consisted of each team playing a round robin schedule within their flight accumulating points from each match to determine the flight winner. Each team played five 9-hole matches (Scramble format) earning a point for winning a hole, earning 1/2 point for tying a hole and no points for losing a hole. Also, the match winner received a bonus point.

After all five matches were completed the teams accumulating the most points in their respective flight were declared the Flight Winner and advanced to the 2-hole sudden death shootout to determine the 2010 Member-Guest Grand Champion.

James Hatcher-Randy Vaughn (Palmer Flight Winners), Bruce Fraser-Tony Miller (Nicklaus Flight Winners) and Pete Gross Sr.-Dan Goss (Jones Flight Winners) advanced to the sudden death shootout. The three flight winners played hole #1 with the two best scores advancing to play the final hole (#9) to determine our Grand Champions. The team with the highest score on the first playoff hole was eliminated.

Bruce Fraser-Tony Miller eagled (Net double eagle) the first playoff hole with James Hatcher-Randy Vaughn and Team Gross tying with birdies. Since two teams tied with birdies it necessitated a chip-off to determine which team would move on to face Fraser and Miller for the championship. Pete Gross Sr.-Dan Goss won the chip-off and advanced to play Fraser and Miller for the Grand Championship.

Fraser-Miller failed to get a ball in play on the second play off hole thus conceding the match to Team Gross. Pete Gross Sr.-Dan Goss are LAYCC's 2010 Member-Guest Grand Champions.

AMATEUR WAKEBOARD COMPETITION Saturday, August 14th

The INT Amateur Tour will make a stop at Lake Arrowhead on August 14 for a one-day Wakeboard competition. The INT League is a grass-roots amateur competition program designed to get people of all skill levels and ages involved in water sports competitions, to promote family fun on the water and water sports safety for everyone. Thousands of people participate in INT events each summer – some going on to successful careers as professional water skiers and wakeboarders.

Participation in an INT event is a wonderful way to get people involved in competitions – and the great thing about INT is that all skill levels are welcome. “The Entro division is for beginner riders who may only be able to wave to the judges and fix their board shorts.

When you move up through Novice, Intermediate and up to the Expert, you see riders of increasing skill,” explains INT’s Georgia Coordinator, Mike Carnahan. “What you see in the Outlaw and Pro divisions are the people who can do the big air tricks and really entertain the crowd. It promises to be fun for everyone whether they are participating or just watching.”

If you are interested in participating, visit us online at www.INTLeague.com/Georgia. You can sign up for membership and select your tournaments from the website. Choose the competition division that best suits your skill level. Finally, register for any tournaments in and around Georgia. You can accumulate points at each event – and the winners in each division state-wide have the opportunity to participate in a National Championship in Florida this fall.

Be sure to join us for the fun on August 14 – come out and watch, bring a picnic – it will be a great day on Lake Arrowhead. Want to be a Part of the Fun? The INT Tour is a volunteer based organization – owing much of our success to the help of dedicated tour team members and volunteers who help set up and tear down the event, volunteer in the registration booth, announce, judge, record for wakeboarding, handle rope in the boats, drive and clean up boats after the events (all sounds glamorous, doesn’t it!). By empowering our volunteer force, INT is able to keep registration fees down and continue to host events. If you would like more information or would like to volunteer, please contact Mike Carnahan by email at GA.INTLeague@gmail.com.

CAPTURE THE FLAG REGATTA Our Capture the Flag was rescheduled due to inclement weather. We will now be hosting it **Sunday, August 22nd starting at 2pm**. There will be four “treasure bucket” locations on the lake. The locations are hidden. Each location will be a floating, white Styrofoam cooler with a small, red flag stuck in the top. Follow the clues below to find each treasure bucket. Inside each cooler is a “treasure chest” with baggies inside. You must have a baggie labeled #1, #2, #3 and #4 to win. You will need a boat hook, or other long pole to help you collect the cooler to get the buckets. The winner will be chosen by either the highest number of collected flags within the allotted time (make sure you have one of each numbered baggie) or a drawing. If you would like to participate in this fun event, please contact us by Friday August 20th . There is a \$25/boat entrance fee to cover the cost of materials (there is a 5 boat limit for this event).

SAILING ON A YACHT FOR FREE During the summer, on the 2nd Saturday of each month, you can sail free of cost for 4 hours with Commodore Jerry on his 36’ Catalina “Terra Nova”. His boat is docked on Lake Lanier, so if you’re interested in learning more about sailing, or just relaxing on the water, give us a call at 770.887.7966 to get details.
