MEMBER SPOTLIGHT

The Mayr family moved onto the lake at the end of March of this year. Alex and Tina Marie both enjoy tennis, the lake and the people of Lake Arrowhead. Tina Marie is very active organizing and directing the tots group called Cherokee MOTS (Mothers of Tots). Their two sons, Joshua, 20 and Kyle, 21 span over Georgia and SW Florida for their chosen college locations and spend summers now at the lake home whenever possible. Marie Jolie, 3, loves her new friends in the community met via Cherokee Mots and attends most of the organized playdates. Kyle and Joshua were both raised in Lake Arrowhead between ages 3 and 10. Lake Arrowhead's peaceful, natural surrounding offers kids a wholesome place to grow up. The Mayrs love our community's diverse activities with the lake, pools, tennis and hiking but also cherish the natural beauty that Lake Arrowhead offers unlike any other. Both Alexander and Tina Marie are real estate specialists and can help people transition into the North Georgia mountains or with a move to South Florida.

For information about the Cherokee MOTS group and their upcoming events, please visit them online at www.meetup.com/Cherokee-Mots/.

This group of energetic moms plans Mom's Nights Out, playdates, and holiday activities! A great way to keep active while encouraging your child's social development.

A Midsummer Day's Lesson by Shane Newton, PGA

It's midsummer and you are in a golfing groove. You have been watching golf every weekend; reading about golf; and playing every chance you get. Those new clubs you bought earlier in the season are starting to look worn and you even found a new golfing buddy to fill in when your regulars let you down. All of this sounds pretty good... right? Well...

Along with midsummer comforts comes mid-season clutter. Your mind is full of golf information. Some of it is helpful; most is not; and you are not sure what is what. You have seen too many tour players' swings in super slow motion and listened to too many swing analysts trying to impress each other on TV. Oh, and those new clubs that you hit so well when you first bought them, well, you are now thinking about digging out the old clubs. And that new golfing buddy... he spotted a couple of things in your swing and he offers some ideas to "help". Now you are right back into that midsummer rut that happens every year.

Does this sound familiar? It's OK, because it happens to all of us. You have all this stuff swirling around in your head, you get complacent, and end up with the same "game" you've had for years. Your game is not too bad but you know it can get better. So how do you break out of this rut?

You must simplify, clarify, and tune up your game. The best source for help is your local PGA golf professional and the best time to start is now. Let your pro know what you want out of your game and he/she can formulate a plan to help you achieve your goals. You have plenty of time before the end of the season to enjoy the fruits of your efforts.

Hopefully this article has inspired you to get out of your midsummer rut and break the cycle. But if you think this article was the silliest thing you ever heard, maybe, just maybe, you did doze off after reading the title and that is how "these visions did appear". Play Better! Play More!

For the latest information about the course and events, go to LakeArrowheadClub.net, pick up an Around the Lake Weekly at the gates and mail centers, or call the Clubhouse at 770.721.7900.

THE HIGHLANDS CUP will be held on Friday, August 19 and Saturday August 20. This is a Member favorite as it is played in a Ryder Cup format. Sign up in the Golf Shop at 770.721.7902 or visit us online at www.lakearrowheadclub.net for more details.

SHORT GAME SKILL CHALLENGE

The Highlands Course recently sponsored a Skills Challenge to benefit the Wounded Warrior Project on Friday, July 1st. Dennis Attaway (pictured below) won the contest and received a Pro Shop gift certificate with half of the proceeds going to the Wounded Warrior Project.

COUPLES 9 & DINE Our next event will be held on Thursday, August 25 beginning at 5:00pm with 9-holes of golf followed by dinner at The Highlands Grill. \$35 per couple + golf fees.

THE POINTS CHAMPIONSHIP

Our version of the Fed-Ex Cup will be held September 17th. Points have been accrued all year by members who played in tournaments and the top 10 players will compete to be the Grand Champion.
