Lake Arrowhead Yacht & Country Club continues to improve your club and instill a sense of pride amongst our Property Owners. Some recent improvements include the creation of the "Around the Lake Weekly", a new weekly publication offering the most updated happenings around Lake Arrowhead. This weekly publication is available at the mail stations every Thursday.

Our Rides of LA events have also been a great success, offering the opportunity for car enthusiasts to join fellow residents for an afternoon of viewing those special "rides". You can continue to look forward to this quarterly event as it continues to grow and attract more families.

You spoke and we listened.... for those of you that may not be aware, "Rovers Park" has officially opened. This has been a popular request from homeowners looking for a common area for their four-legged friends. The Park features a newly painted red hydrant and open play area for your dogs to enjoy. Thank you to all our residents that take the time to discuss with Management the things that are important to you.

ROVER'S RANGE Our off-leash dog park is now open for the enjoyment of all well behaved dogs and their owners. There is plenty of room to run and play, splash in the water or bask in the sun. Rover's Range, located in Clearwater Park, is open every day dawn to dusk.
