Ahoy and Happy New Year from KYSC – Boats for Rent!!

We hope you had a wonderful holiday season, and while we move into the coldest part of the year, we would like to remind you that every winter KYSC schedules trips to defrost in the British Virgin Islands. Picture yourselves sunning on a sandy beach, with your own personal sailboat anchored nearby offshore. What a way to jump into the New Year! Trips can be customized to fit your budget and schedule. For more information, just give us a call or email at 770-887-7966 or boatsforrent@gmail.com.

Also, during January and February KYSC is offering on-shore ASA Coastal Navigation classes. There is no pre-requisite for this class. This is one of the ASA series of courses. It allows the student to predict the forces of tides and currents on their boat prior to sailing away. This is a "must have" course for anyone planning on sailing or cruising where tides or currents exist. It is also the prerequisite course for our ASA Advanced Coastal Cruising course.

This course is taught in two sessions, over two days. To fit your schedule better, we have two classes scheduled. We have broken it up so you can come to the session A (Theory) in one class then the session B (Application) in another. Below are the dates available:

Sat, Jan 16, 2010 10am Session A Theory	Sat, Jan 23, 2010 10am Session B Application
Sat, Feb 20, 2010 10am Session A Theory	Sat, Feb 27, 2010 10am Session B Application

Contact our instructor at boatsforrent@gmail.com or 770-887-7966

Private and semi-private lessons for the ASA 105 course (Coastal Navigation) are also available by request during the months January and February.
