**KYSC LESSONS**

For detailed course description, specific dates or information, please email us at [boatsforrent@gmail.com](mailto:boatsforrent@gmail.com), call us at 770.887.7966, or visit our website at [www.sailclub.org](http://www.sailclub.org) under "Lesson Information". Unless stated otherwise, KYSC teaches its ASA courses in two hour formats. The listed day and time on the website will be the first of several classes, the remainder of which can then be arranged between you and the instructor around your schedule.

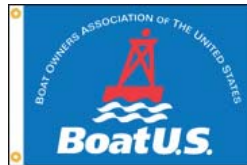

**KYSC ACTIVITIES** Please feel free to visit our website to see additional KYSC events. You do not have to be a member to participate in the Lake Arrowhead events! Just go to [www.sailclub.org](http://www.sailclub.org) under "Event Calendar". Upcoming events include Poker Hand Regatta (July 12th), Member Appreciation Day (Aug 2), and Around the Island Regatta (Sept 20).

**KAYAK CLASSES (Part 1)** Sat, June 6th - 7:30am & 12:30pm

This is a two day course that has two sessions. On Saturday, in the first session, a participant will learn how to read white water, the parts of a kayak, the types of whitewater kayaks, the "lingo" of the river, and the strokes of open kayakers. We will then practice our new skills on Lake Arrowhead.

On Sunday, in the second session the participants will be on an all day whitewater river trip down the Nantahala River in western North Carolina, approximately 2.5 to 3 hours from Waleska. This session will include scouting whitewater rapids, running rapids, "surfing" and two class 3 rapids plus we will scout a class 4.

For session one, there are two time periods available. Saturday morning from 7:30am to Noon and Saturday from 12:30pm to 5pm. There is a limit of 8 people per time period. Individuals will be provided PFD's (Personal Flotation Devices) for both days and wetsuits for day 2. The participants need to bring a swimming suit and close toed shoes (for both days).

Participants need to understand that, while we are first aid and CPR certified, we are not responsible for injuries or illness during this course. The course fee is \$150. This includes all equipment and instructor costs for both days. At just \$150 per person this is really a great value.

If you are interested, please call KYSC at 770-887-7966 by June 5 to register. We will be glad to answer any questions you might have by emailing us at: [boatsforrent@gmail.com](mailto:boatsforrent@gmail.com)

**BOATING SAFETY QUIZ**

Non-lateral markers are navigation aids that give information other than the edges of safe water areas. The most common are regulatory markers which are white and use orange markings and black lettering as shown in this picture. These markers are found on lakes and rivers. What does this marker indicate?
